

40-percent off on fine Japanese cuisine

KIMPURA JAPANESE Restaurant is marking its 40th year with promos for its loyal customers.

For those born on Oct. 10, 1970, Kimpura will give a 40-percent discount for dine-in celebrants only through October by simply showing any birth ID proof (for group dining, the individual share of the celebrant will apply).

Also, customers can enjoy a 40-percent discount on all *donburi* (rice bowls) on Oct. 11-15; all *menrui* (noodles) on Oct. 18-22; and all sushi/sashimi on Oct. 25-29.

When it opened its first restaurant in Makati Commercial Center (now Ayala Center) right across the Hotel Inter-Continental Manila, Kimpura immediately became a favorite dining destination for its fine Japanese cuisine and the quality of its service.

Its Greenhills outlet is now a haven for traditional family gatherings and special occasions, while Kimpura Trinoma has also become a

landmark in that part of Quezon City. In time for the Christmas season, Kimpura will be back in Makati with the opening of its Greenbelt 5 outlet.

Open daily for lunch and dinner, Kimpura is located at Greenhills Shopping Center (call 7218816/ 7218869) and at the 3/L, TriNoma Park, Quezon City.
